- Design and implemented a Personal Portfolio Website using Different Web Development Techniques
- Implemented basic layout using HTML and CSS and applied different animations like **continuous typing or gallery effect** using JavaScript and bootstrap

Skills: (Problem Solving, Communication, Technical Skills)

Programming Languages: Python, **C**++, C, **Data Structures and Algorithms**, HTML, CSS, MySQL.
Databases: Oracle, MySQL
Language Proficiency: English, Hindi.

Coding Profiles:

1. LeetCode
   Problem Solved: 800+

2. HackerRank
   Problem Solved: 200+

3. Geeks for Geeks
   Problem Solved: 150+

Achievements:

- Completed **800+ Leetcode** Questions based on DSA.
- Completed **1400+** Questions based on DSA on different coding platforms.
- **AICTE IICC FINALIST** AIR 141 among 90k participants.
- Won **AMICODE -23,** a DSA based Coding Contest.
- 3rd Rank in **AKTU Zonals (Ghaziabad).**
- Won **CodeByte,** a DSA based Coding Contest.
- **6-star (Problem Solving)** on **Hacker rank.**
- **5-star (Python, CPP, C)** on **Hacker rank.**

Certificates:

- Hackerrank Problem Solving (Basic).
- Hackerrank Problem Solving (Intermediate).
- Hackerrank Python Certificate (Basic).
